****We have shoes for your child to borrow. Please bring a thin pair of socks.**

SUMMER DRESS CODE: Tights are not required for summer lessons except for ballet classes on Tuesdays & Wednesdays. For preschool and combo classes we usually lend tap shoes and then do ballet/jazz etc. barefoot. Please **DO NOT** wear tights unless you bring your own ballet slippers. Please check our regular dress code before purchasing any items if you plan on enrolling in the fall.

WHAT CLASS SHOULD MY CHILD TAKE THIS SUMMER? When looking at the summer schedule, a couple things to keep in mind. If you are new please follow the age category if given. This is how our hierarchy throughout the school year goes....

PRESCHOOL (age 2-4)....(for summer we combine the preschoolers and combo 1 for 2-6 yr olds)

COMBO 1 (age 4-6) It is 4 1/2 year olds & 5 year olds with experience, and brand new 6 year olds.

COMBO 2 tap/ballet combo for students who have complete combo 1 or age 7-8 beginners. Some 5 year olds are in this class because they have been enrolled since toddlers.

COMBO 3 tap/ballet combo for students who have complete combo 2 or transfer/new students by evaluation. Typical age 6-10...6 yr olds who have progressed and 10 yr old beginners.

COMBO 4 tap/ballet combo for students who have complete combo 3 or transfer/new students by evaluation. Typical age 7-10...7 yr olds who have progressed and 10 yr old with less experience.

LEVEL 1 & 2 Students who have completed the classes at the combo levels and transfer students by evaluation. Dance experience required. (for summer, anyone that is over the age of 12 with no dance experience could try the level 1 & 2 classes to see how they do.)

LEVEL 3, 4, 5, 6 Students who are teens, and pre-teens with experience are placed in the proper classes based on their experience.

POINTE & BALLET/POINTE Students who are already on pointe can & should take pointe with Ms Jackie on Tuesdays and those on pointe will do barre on pointe while other students will do flat during Ms Jen's Ballet/Pointe class on Wednesday. Over the summer, Ms Jen will be evaluating level 4 girls to see who is ready for pointe in the fall.

What is Contemporary?? Contemporary dance is a style of expressive dance that combines elements of several dance genres including modern, jazz, lyrical and classical ballet. Contemporary dancers strive to connect the mind and the body through fluid dance movements.
